

RADICLE ROOT HERBS *CSH SPONSORSHIP*

2021 APPLICATION

Radicle Root Herbs wants to ensure that the CSH program is accessible to anyone who wants to access it! If financial barriers prevent you from purchasing a share, please apply for a sponsored box. The number of sponsored boxes available is entirely dependent on the donations made by others.

Together we can support our community and provide quality care.

The sponsored boxes can be applied for by anyone who has a financial barrier to accessing these boxes. Extra consideration will go to those who are single parents, teenage parents, immigrants, those living with disability and chronic health issues, and members of the BIPOC and LGBTQ+ communities!

*If you are within or above the middle class, I kindly ask that you do not apply for these sponsored boxes and I also humbly ask you to consider donating some extra funds towards the sponsorship program. The generosity of each donation provides those with harder circumstances and more need access to quality products that can be used at home to improve their life.
